EXPERIENCE

UI/UX Designer | Rebecca Everlene Trust Company

Chicago, IL, USA | July 2023 - July 2024

- Collaborated with a cross-functional team using tools like Slack and Miro to create an engaging children's learning app that educates kids across the U.S
- Led user research through interviews, surveys, competitive audits, and journey mapping, uncovering valuable insights and user preferences through comprehensive analysis.
- Responsible for creating a robust design system featuring over 150 components, ensuring cohesive interface design and streamlined handoff to developers.
- Crafted intuitive, user-centric interfaces and highly interactive, kid-friendly prototypes using Figma, Lottie, and Spline, prioritizing engagement and ease of understanding.
- Enhanced user interfaces with refined elements and smoother animations, achieving a 37% improvement in user experience through extensive usability testing and A/B testing.
